Renewal

Season pass holders will have the first priority to renew their pass each year. If pass holders choose to deny renewal, they will need to rejoin the waitlist and their spot will be given to the next person in line.

Cancellations

It is important to our scheduling that you do not book and 'no show'. Our standard cancellation policy of 72hrs applies to season pass bookings - we have a 'three strikes' policy, where if you 'no show' for three bookings without a valid reason you risk having your season pass cancelled without refund.
