PARTICIPANT INFORMATION

OVERVIEW

UPLIFT PASSES

DH entry includes uplifts for Sunday only. The DH track is open from Friday so a 2-day pass is your best bet to get practice on every day the track is open.

DH Competitors can get a 25% discount on their uplifts for Friday and Saturday by using the code MBPDH23 at checkout.

REGISTRATION

Online registrations for the Maydena Downhill close Wednesday 22nd February 11:59 pm. Late entries will be accepted at the event. Late registrations strictly close at 12pm Saturday 25th February.

WAIVER

Prior to riding in the bike park you'll need to sign our waiver. Sign it online before you arrive to save time at check-in and get riding sooner! You can sign it online [HERE](#)

RACE PLATES

Allocation of race plates is undertaken upon the close of online registrations. Riders who register after the close of online registrations will be allocated the next available plate.

AGE CLASSIFICATION

Age categories are determined by the age of the entrant on the 31st of December 2023 (Minimum age 11)

MEDICAL SERVICES

Medical Services will be provided throughout the event by Maydena Bike Patrol Team. Medical staff will be located at the MBP Base and on course.

TIMING

HELMET REQUIREMENTS

All riders are expected to always wear a compliant helmet whilst on their bike.

This applies during competition, practice and when commuting to and from their events.

Bicycle helmets that satisfy current Australian or equivalent international standards are compulsory.

SAFETY EQUIPMENT

The AusCycling Technical Regulations require the following safety equipment for Downhill:

- Full-face helmet with a fixed non-detachable mouthpiece;
- A jersey or shirt covering the elbows must be worn as a minimum. 3/4 length jerseys are acceptable;
- Knees must be covered by full-length trousers and/or self-fastening knee or knee/shin guards expressly designed for off-road cycling.

For Under 13/15/17 categories, the following equipment is mandatory at all times whilst on track:

- Full-finger gloves must be worn;
- Full-length jersey - jersey must cover elbows at all times;
- Knee pads and elbow pads must be worn.

Maydena strongly recommends the use of the following:

- Back and shoulder protection expressly designed for the purpose;
- Full finger gloves;
- Elbow protectors and/or long sleeve jersey to the wrist;
- Goggles expressly designed for the purpose

STATE CHAMPIONSHIPS DH

RACING DOWN THE PURPOSE-BUILT NATIONAL CHAMPIONSHIPS DOWNHILL COURSE.

This year our infamous downhill track will be host to the 2023 Tasmania State Downhill Championships. Racing down the purpose-built downhill course, this will be Aussie downhill racers only chance this year to ride and race this track.

THE TRAIL

The course combines fast, open speedway sections with wide, off-camber tech. Riders descend 400m in elevation, over a 3–4-minute race run. With the course combining fast, open speedway sections and wide, off-camber technical sections, riders will need to stay sharp to take the win. Test yourself against Australia’s best downhill riders on our world-class downhill course!

DH TRAIL MAP

RACING DOWN THE PURPOSE-BUILT NATIONAL CHAMPIONSHIPS DOWNHILL COURSE.

The Maydena downhill course was designed and constructed by Dirt Art specifically for the 2021 & 2022 Downhill National Championships.

The purpose-built course is a culmination of what Maydena has become renowned for in terms of challenging riders with its highly variable terrain.

Starting from the midline, the course begins with a fast flow section, which quickly transitions into a series of steep and technical sections with multiple line choices for racers. The lower half of the track switches gears with faster sections interlinked with a series of larger bike park style features.

The downhill track can be accessed via the two uplift options described below.

// UPLIFT OPTIONS

OPTION 1: MIDLINE DROP-OFF

The midline shuttle drop-off option is the quickest and easiest way to get to the start of the downhill course.

- The duration of the shuttle is approx. half the time of option 2.
- Riders will pedal across the midline trail, which is predominately flat but has some short climbs that are easily negotiated - even on a downhill bike.
- Option 1 represents the best option for riders wanting to fit in as many practice laps as possible

OPTION 2: SUMMIT DROP-OFF

The summit drop-off option is the alternate way to get to the start of the downhill course.

- The duration of the shuttle is significantly longer than option 1 - approx. double the time.
- We recommend riders utilise the Skyline and Pandani trails as the most direct and easiest way to get to the start of the downhill course.
- Option 2 is best suited to riders that want a warm up on descending trails as opposed to pedalling across from midline.
