## TRAIL ETIQUETTE

- Stop only in constructed pull out areas and junctions! We are a gravity-based trail network, stopping in undesignated areas risks injury to yourself and other riders.
- Look before you begin your ride! Always look for other riders before pulling out to begin or recommence your ride.
- Respect slower riders! Do not tailgate or harass slower riders. Notify riders of your presence when approaching a suitable pull out area or junction. Do not pass riders without prior acknowledgement from the slower rider.
- Respect faster riders! If you have a faster rider behind you, please allow them to pass when there is a safe pull out bay or junction. Do not stop unless safe to do so.
- Respect your fellow riders! We are all at different stages of our mountain bike journey. Respect your fellow riders.
